Bacitracin Ointment
Neosporin Ointment
Desitin
Calamine Lotion
Ivy Dry
Benadryl
Vaseline

***Acetaminophen and Ibuprofen may be administered from the health office by the school nurse with written parental consent for mild to moderate pain or fever greater than 100.4.

If, for any reason, you do not wish your child to be treated with these approved medications, please notify your building school nurse, in writing, of this request.

Sincerely,

Dr. Tracy Handerhan
