ARTICLE III
GRIEVANCE PROCEDURE

A. Definition Grievance

A grievance is a claim by an employee or employees in the Bargaining Unit or the bargaining unit representatives based upon the interpretation, application or violation of this agreement, policies or administrative decisions affecting the terms and conditions of employment.

B. Purpose

The purpose of this procedure is to secure, at the lowest possible level, equitable solutions to the problems, which may from time to time arise affecting Council members. Both parties agree that these proceedings will be kept as informal and confidential as may be appropriate at any level of the procedure.

C. Principles

1. Failure by either party at any step of this procedure as outlined in Article III D 2, 3, and 4 to render a decision within the estimated timeline shall move the grievance to the next level.
2. All meetings and hearings under this procedure shall be conducted in private, shall include only such parties in interest and their designated or selected representatives.
3. All documents, communications and records dealing with the grievance in question shall be kept in a special grievance file and not be placed in the personnel file of any of the participants. This file shall be maintained until final

decision is made, at which time all records except the final decision shall be destroyed.

4. Any aggrieved person may be represented at all stages of the grievance procedure by himself, or at his option, by a representative. When a Council member is not represented by the Council, the Council shall have the right to be present and to state its views at all stages of the grievance procedure.

D. Procedure

1. Any employee who has a grievance shall discuss it with his/her immediate superior, in an attempt to resolve the matter informally at that level. A grievance to be considered must be initiated by the employee within thirty (30) calendar days of its occurrence.
2. If, as a result of the discussion, the matter is not resolved to the satisfaction of the employee within five (5) school days he/she shall present his/her complaint in writing to the immediate superior within five (5) school days. The immediate superior shall communicate his decision to the employee within three (3) school days of receipt of the written complaint.
3. The employee may appeal this decision within five (5) school days to the Superintendent of Schools. The appeal to the Superintendent must be made in writing and must set forth grounds upon which the grievance is based. The Superintendent shall receive a report on the grievance and shall confer with the concerned parties. Either party may request a private conference. The Superintendent shall attempt to resolve the matter as quickly as possible, but within a period not to exceed ten (10) school days. He/she shall communicate

his/her decision in writing, along with supporting reasons, to the employee, his immediate superior and the Council.

4. If the grievance is not resolved to the employee's satisfaction he/she may within five (5) school days request a review by the Board of Education. The request shall be submitted in writing through the Superintendent of Schools, who shall attach all materials and forward the request to the Board of Education. The Board, or a committee thereof, shall review the grievance, hold a hearing with the employee if requested, and render a decision within thirty-five (35) calendar days.
5. If the Council is dissatisfied with the determination of the Board of Education, and in the further event that the grievance involves the interpretation of application of this contract, but does not involve a tenure charge (N.J.S.A. 18A:6-10), withholding of an increment (N.J.S.A. 18A:29-14), or a non-renewal of a non-tenure administrator's contract (N.J.S.A. 18A:27-10), then a request for arbitration shall be made to the Public Employment Relations Commission (PERC) as to the selection of an Arbitrator. The Arbitrator's decision shall be in writing and shall be submitted to the Board and the Council and shall be final and binding on the parties. The compensation of the Arbitrator shall be borne equally by the parties.
6. Failure by the grievant at any step of this procedure to appeal a grievance to the next step within a specified time limit shall be deemed to be acceptance of the decision rendered at that step. Failure at any step of this procedure to communicate a decision of the grievance to the grievant within the specified time limits shall be deemed to be acceptance of the grievant's position.
