

WALL TOWNSHIP PUBLIC SCHOOLS

Title: Physical Therapist

Qualifications:

1. Shall be a graduate of an accredited college or university and meet the requirements of certification established the State of New Jersey and Department of Education.
2. Holds a valid Physical Therapist certification.

Reports to:

Director of Special Services

Job Goal: To provide physical therapy services for students with disabilities as mandated by the New Jersey state regulations and code. The PT works collaboratively with members of the child study team, teachers, and paraprofessionals by providing consultation, training, and support.

Performance Responsibilities:

1. Conduct assessments to determine the need for school based physical therapy for students in need.
2. Develop/assist with individual goal setting for students receiving physical therapy.
3. Design and administer appropriate treatment activities.
4. Assist in the support and training of special education staff by providing feedback, modeling, and coaching to ensure proper carry over of skills taught in the therapy room.
5. Effectively schedule case load.
6. Collect and maintain data taken during PT sessions.
7. Evaluate and assess the student; complete the report; and recommend and provide an appropriate treatment program.
8. Communicate with case managers regarding the children's programming and progress.
9. Contribute to sections of the IEP and attend IEP meetings as needed.
10. Contribute to progress reports and collect data for Individualized Education Plans.
11. Participate in staffing, annual reviews, parent/teacher conferences and make parent/teacher contacts as necessary.
12. Provide quality professional development activities to staff relevant to the generalization of physical therapy practices and recommendations within the educational setting.
13. Collaborate with families and provide workshops when appropriate, to assist them with techniques that can be used in the home.
14. Maintain treatment area, equipment, and supply inventory.
15. Participate on I&RS as appropriate.
16. Possess thorough and current knowledge within his/her field and accept responsibility for maintaining and improving personal professional competence.
17. Perform other duties as assigned by the Director of Special Services as they pertain to the scope of employment and certifications.
