What We're Learning:

ELA

We wrapped up literary texts, and are now reading all about nonfiction! Our topic is about Ocean Survival, and we are focusing on main idea, key details & point of view.

MATH

As we work hard in fact fluency, we are studying how multiplication and division are related. We are continuing to tackle word problems using all operations.

SOCIAL
STUDIES

We wrapped up Geography, and are now looking at ways culture can shape our communities. We are going to learn about various cultures in the world, and our own!
