Re: Annual AHERA Notification

ANNUAL AHERA NOTIFICATION

The Wall Township Board of Education would like to inform all parents, teachers, and employees that copies of the Asbestos Management Plans are kept on file within the *Operations Department* for your review during normal school hours.

The district's six-month periodic surveillance reports are completed twice per year, as required by the Asbestos Hazard Emergency Response Act (AHERA). Additionally, various operations and maintenance activities are conducted by certified staff at the district's facilities.

Limited, if any, abatement activities have been conducted at various board facilities during the past year. Reports are available for review at the *Operations Department* during normal business hours.

Should you have any questions, please contact this office at 732 556-2029.

Thank you,

William Van Syckel
Facilities Manager
