Dear Parents/Guardians:

At the start of each academic school year, RPS Bollinger Specialty Group offers Wall Township students the opportunity to purchase supplemental Accident Insurance and Dental Accident Insurance. The supplemental Accident insurance coverage offered by the District provides coverage on an EXCESS BASIS only. This means that only those medical expenses which are NOT payable by your own personal or group insurance are eligible for coverage under this policy, subject to limitations and exclusions.

Please note offerings are available for coverage while school is in session, during school hours. Additional coverage can be purchased for 24/7 coverage off school grounds and outside of school hours.

Coverage is provided while participating in (or attending) activities organized, sponsored and supervised by the school. Coverage is also provided for travel directly to and from such activities in a Designated Vehicle furnished by the school. For example, coverage includes participation as a student athlete and traveling on a team bus.

Links below can connect you to details of both the 24 Hour Accident Plan Insurance and the Dental Insurance Plan. You may also connect with RPS Bollinger Specialty Group through the "Contact Us" link on their website: www.BollingerSchools.com.
