SAT PREP COURSE

Course Description

This instructional course will meet for 6 sessions. The course is designed to help students prepare for the SAT. During the mathematics sessions students will engage in methods for applying math taught in the classroom to the questions presented on the SAT. With helpful tips along the way, students will engage in activities to strengthen their critical reading, sentence completion, grammar and SAT writing skills. Strategies will be individualized to meet student needs. Diagnostic and practice exams will not be administered during class time, but are available for students to self-administer independently with guidance from course instructors.

GENERAL INFORMATION

- Students meet 6 times with their class for instruction.
- Each course is aligned with a specific SAT Administration.
- Class size not to exceed 12 students.
- In the event that a class cannot run due to lack of enrollment, a full refund will be provided.
- **All classes will be held at Wall High School. If the school pivots to a virtual schedule, the class will also pivot to a virtual schedule. Students will need access to the Internet and Google Classroom.**
- Wall Resident: Cost \$250.00, Non-Resident: Cost \$325
 - Check made payable to Wall High School
- Student is responsible for registering with CollegeBoard to take the SAT
- CODE OF CONDUCT
 - The SAT Prep sessions will follow the Student Code of Conduct as per district policy (see Policy 5600).
