

Student Name: _____

Course Selection Worksheet and 4 Year Course Planner

- This worksheet is designed as a tool for you to think about your course selections for next year and to plan ahead for future school years.
- The high school graduation requirements are listed on the chart below in the left column and the specific graduation requirements for electives are noted below the chart.
- Please utilize the WHS Course Offerings by Department (attached) to see what courses are available for you to choose from.
- You can also access the Program of Studies on our website for detailed descriptions of all our course offerings. To access the Program of Studies go to our high school website. Go to Students and Families, then go to School Counseling and on the left hand side you will see Program of Studies.
