PTO MEMBERSHIP FOR THE 2022-2023 SCHOOL YEAR

The Wall High School PTO has a long tradition of supporting our students and staff. We host events that support the social development of students, celebrate our staff, unite the community and enhance the district curriculum. We were thrilled to provide many pre-pandemic services last year including:

- Staff Appreciation luncheons and treats during the school year
- Sunshine and hospitality services to staff and students
- Scholarships and Senior Awards Night dessert reception
- Senior Class Picnic

We need your financial support to keep the tradition going! Our goal this year is to expand our reach to grades 9 through 11 by sponsoring inclusive events to be #WallTogether.

PTO dues for the 2022/2023 school year are \$25 per family. Please complete and return the bottom portion with your check payable to WHS PTO to the school’s main office during business hours. If you would rather pay online, please go to <https://givebutter.com/1bVT9K> (additional fees apply).

Please be sure to join the Wall High School PTO Facebook page for up-to-date information! We will also communicate by email regarding our fundraisers, meetings and other events. If you are able to donate your time and talents, we would love your help! Please reach out to Kelly, Rita, Pam, Mandy or Jacqueline at the above email addresses if you have any questions.

We are looking forward to a fantastic 2022-2023 school year!
