**Wall Township, New Jersey**

**PRIVATE TUITION STUDENT AGREEMENT**

1. As the parent(s)/guardian(s) of \_\_\_\_\_, private tuition students in the Wall Township Public School District, I (We) expressly represent that we have the financial ability to enter into this agreement with the Wall Township Board of Education. We further stipulate that we have been provided with a copy of Board Policy 5111, and we agree to abide by it.
2. I (We) agree to pay \$ \_\_\_\_\_ to the Board of Education for regular educational services during the 2022-2023 school year. Regular educational services are defined as those that do not require Child Study Team evaluation, classification and programming, as well as instruction by a special education teacher. Additionally, regular education services are defined to mean those given to a student who is able to function in the school environment without modification or supports under Section 504, which incur any additional costs. If home instruction is required, it is agreed that all costs for this would be paid separately by the parents, in addition to regular tuition.
3. The Board of Education agrees that payments can be made in two installments due on the 15<sup>th</sup> of August and the 15<sup>th</sup> of January. If payment is more than 30 days past due, the Board reserves the right to revoke a student's enrollment, requiring the parent to enroll their child(ren) in their home school district or another public school.
4. It is expressly agreed and understood that admission as a private tuition student is for the 2022-2023 school year only and that re-admission for the next school year is contingent upon all tuition for the preceding year being paid in full and the affirmative recommendation of the Principal of the school following his/her review of academic progress and student behavior.
5. The Board of Education is unable to offer Special Education or 504 services or programs on a private tuition basis because of the open ended and the possibility of extensive involvement of staff and resources that this could require. By signing this agreement, the parent(s)/guardian(s) of \_\_\_\_\_ are stating that \_\_\_\_\_ is not now a classified student in any school district nor are special modifications needed from the school to which additional costs could accrue. Furthermore, the parent(s)/guardian(s) accepts that should CST referral be needed or 504 services requiring the expenditure of additional funds be deemed necessary by the Administration of the Wall Township Public School District, the parent will withdraw the child. The parent expressly understands and agrees that it is the student's district of residence which is responsible for the provision of Special Education or 504 services and the Board is under no obligation to grant an exception.
6. It is agreed that the parent(s)/guardian(s) may withdraw the student at any time and that appropriate student records will be forwarded to any school chosen by the parent. It is agreed that a final tuition bill be calculated at that time and will be paid in full at the time of transfer.

7. It is expressly agreed and understood that in the event the student is suspended for an illegal substance related incident (sale or use of illegal drugs or alcohol), or a violence related incident (assault upon a student or staff member, threats considered serious by the Principal or the possession of a weapon in school) that the parent(s)/guardian(s) will withdraw the student at that time. A final tuition bill will be calculated at that time and will be paid in full. Appropriate student records will be forwarded to the school chosen by the parent(s)/guardian(s).

Due process will be observed and the parent(s)/guardian(s) may appeal the suspension to the Superintendent of Schools and if not satisfied to the Board of Education. During the appeal process, the transfer process may be held in abeyance; however, the parent(s)/guardian(s) agree(s) to abide by the decision of the Board of Education, which is final.
