Superintendent of Schools

September 28, 2023

Dear WTPS Community:

As you may be aware, the District advertised for a permanent principal for Wall High School on September 7. Applications were received through September 21. First round interviews started this week and will continue into next week. The goal is to identify a candidate for board approval this fall. At last week's Board of Education meeting, the Board approved a separation of service agreement for the purpose of retirement from Principal Sirchio, effective June 30, 2024.

I look forward to updating you on the principal search at the next benchmark in the process. Please know that finding an outstanding candidate to lead Wall High School is of the utmost importance to the Board of Education.

Sincerely,
Tracy R. Handerhan, D.Litt.
Superintendent of Schools
