Dear WTPS Community:

Please be advised that yesterday afternoon a member of the general public was arrested on the campus grounds of Wall High School (interaction did not involve students or staff). The individual was charged with defiant trespassing, resisting by flight, obstruction, and disorderly persons. I wish to thank the Wall Township Police Department for their swift action as they demonstrate their ongoing commitment to keeping our schools safe for students and staff.

During Tuesday night's/Wednesday morning's storm, Central School sustained some roof damage due to high winds. Today, if you are in the area, you will notice a crane in front of Central School as crews are tending to the necessary repairs.

Additionally, although the site improvement project at Allenwood School is substantially complete, some work remains. The concrete poured for the steps on the north side of the building – or, better known as the original school entrance – did not set properly and is being replaced. We still anticipate the project being completed by this March.

As the week winds down, I hope you and your family have a lovely extended holiday weekend.

Sincerely,  
Tracy Handerhan, D.Litt.
