March 28, 2024

Dear WTPS Community:

On Tuesday night's Special Meeting of the Board of Education, this year's school calendar was revised. As previously communicated, the District has used 1 "snow" day of the 3 emergency closing/"snow" days built into the calendar, which left 2 unused days.

The calendar now reflects that schools will be closed on Friday, March 29, 2024, and Friday, May 24, 2024 ([click here](#) to view the revised calendar). In the event there is an "emergency/snow day," schools will be in session on May 24th.

I do hope that you and your family have a wonderful Spring Break.

Sincerely,
Tracy R. Handerhan, D.Litt.
Superintendent of Schools
