Hello Wall Township Elementary Families,

As Mrs. McCann shared earlier this month, we are very excited to be able to offer **Summer Knight Academy (SKA 2024)** to our 2024-2025, K-5th grade students. **SKA 2024** is a STEAM-based summer program that helps students strengthen reading and math skills, promote creative thinking, and provide positive social opportunities. If needed, students will also be provided targeted instruction in foundational literacy skills from a reading interventionist on a daily basis. Time will be allotted for outdoor recess (weather permitting) and snack (provided from home) daily. Due to our last remaining ESSER funds, **SKA 2024** will be offered at no cost. As space is limited, the registration process will be tiered as follows:

**Round 1 - By invitation**

- The registration link will be sent via email through Blackboard Connect to parents of students receiving targeted intervention in reading on March 18th.
- Parents/Guardians will have until March 29th at 3PM to register via this link.

**Round 2 - Open to all**

- The registration link will be sent to all current PK4 - 4th grade parents of students and will also be posted on the website on April 8th @ 9AM.
- Parents/Guardians will have until April 19th to register their child(ren).
- Registration will be based on a 1st come, 1st serve basis. As this is a free, grant funded program, space is limited. All forms will be time stamped which will determine placement for this round.

Notice of placement will be sent, via email, on April 24th.

**Please note the dates for SKA 2024 and ensure that your child(ren) can attend for all 4 weeks prior to registering.**

Dates: June 24, 2024 - July 18, 2024 - 4 weeks

Days: Mondays - Thursdays - 4 days per week (SKA is closed on 7/4/24)

Time: 9:30AM - 1:30PM

Location: Central School

Transportation: Provided if needed

Please feel free to reach out with any questions.

Warm regards,
